

## Lunch Seminar 7

### Shaping the Future of COVID-19 Management: Expert Insights from UK

(本演講由輝瑞大藥廠股份有限公司贊助)

時間：2025 年 6 月 28 日(六) 12:30~13:30

會議室：202 會議廳

座長：張維典醫師(臺大醫院)

講師：Prof. Andrew Ustianowski

(Interim Executive Director, Research Delivery Network, NIHR, UK)

#### 課程簡介

This session shares key lessons from how different countries have managed COVID-19, such as public health measures, treatments, and vaccines. We will also look at Taiwan's current situation, including new treatment strategies, hospital capacity, and virus variant updates. Recent findings on antiviral drugs will be discussed. These insights aim to help emergency physicians, health officials, and decision-makers better respond to ongoing and future challenges.
